4. Chairman's Report –The Chairman thanked the whole team for their work during the year in producing an inclusive and unique publication. He thanked Mike for the work collecting the revenue from advertising and managing the finances.

Mike Scott thanked the Parish Council for their generous grant and reported that a donation of £100 was received in thanks for helping retrieve a set of keys. Overall, with £910.85 as of the financial year end in the bank Mike felt the Association was financially secure for the next year with adequate cash flow cover for periods when expenditure exceeds income from advertising. It was noted that at present the editorial team are not charging for their IT costs and running costs. Mike Scott particularly thanked Sir Peter Jennings for his support, guidance and sensitivity when setting up the Association and newsletter and his governance over the past six years. It was recommended that an independent person checks and signs off the accounts. (Post meeting note. James Lock has agreed to perform this role and has duly signed off the accounts as of the 22nd October 2021 and a copy is attached to the minutes). 7. Amendments to the Constitution

No amendments.

8. Any Other Business

1. Discussion took place as to the inclusion of flyers in the newsletter. It was agreed that those relating to village events and charities would be acceptable, but private or commercial flyers would in future not be eligible for inclusion.
2. It was recognised that IT and administrative costs incurred by the production team are not currently covered in the budget but if circumstances change this would be needed to be covered and expenses could be claimed by members of the editorial team it is unlikely that these costs would impact on the viability of the newsletter.
3. Glen reported that he still did not have any back up for production. It was agreed that at some stage this should be addressed.

The meeting closed at 19.10
